## Rationale

NEP-2020-Chapter 19. (PP(49-50) on Effective Governance and Leadership for Higher Education Institutions emphasizes that governance and leadership that enables the creation of a culture of excellence and innovation in higher education institutions. The common feature of all world-class institutions globally including India has indeed been the existence of strong self-governance and outstanding institutional leaders. Appropriate Measures will be taken at all HEIs to ensure leadership of the highest quality and promote an institutional culture of excellence.

It is envisaged that all HEIs will be incentivized, supported, and mentored during this process of change. Leaders of an HEI will have to demonstrate strong alignment to Constitutional values and the overall vision of the institution, along with attributes such as a strong social commitment, belief in teamwork, pluralism, ability to work with diverse people, and a positive outlook. Each institution will make a strategic Institutional Development Plan on the basis of which institutions will develop initiatives, assess their own progress, and reach the goals set therein, which could then become the b
