Rationale

The National Education Policy 2020 envisions quality universities and colleges. Higher Education Institutions are expected to design and implement quality systems and processes to achieve the stipulated vision. All institutional members professionally implement these systems in collaboration with external stakeholders. UGC, NAAC, AICTE, and NBA came up with guidelines to ensure the quality of education and implement innovations to satisfy the changing needs of 21st Century learners. The objectives of the training programmes are formulated to help the participants to develop competencies to design, implement and evaluate the quality management systems.

Programme Outcomes

The trainee will be able to:

- State the salient points of NEP 2020
- Describe the quality requirements from national and international perspectives
- Design quality management systems and processes
- Apply tools and techniques for quality management in education, research and social contribution

Programme Content

Overview of NEP 2020, Concept, need and importance of Quality and Total Quality Management, Models of TQM, Models of Student clubs and Quality Circles, process of crafting vision, mission and goals, NBA accreditation, Tools and Techniques of TQM- SWOT analysis, process design, team building exercises etc. Academic Audit - Concept, Need and approaches.
